A notification had been received from NELC to confirm the grant had been authorised for £662.40 which will cover the cost of the non slipmat for the pond bridge.

A discussion took place regarding the purchase of a lawn mower, strimmer and chairs for Irby village and how to pay for the items when the funding is received from the Laceby Solar Farm.

Cllr Fuller reported that a member of the public had been in contact to ask if 'hand or finger signs' could be purchased to assist visitors to the village, find the village hall when events are organised to take place there. It was agreed that this could prove to be expensive, and permission would be required to place said signs. It was suggested that the Postcode of the village hall would be added to the posters to see if this helps
